- Maintain a calm attitude.
- Ask the complainant if they will consent to you taking notes.
- Write the description of the complaint /problem using the complainants own words (as much as is possible).
- Find out the nature of the relationship between the complainant and the person complained about (for example, coach/competitor, team members, etc) and if there is any relevant history.
- Take a note of the facts and do not pre-judge the situation.
- Ask the complainant whether they fear victimisation or other consequences.
- Find out what outcome the complainant wants and if they need any support.
- Ask the complainant how they want to the complaint to be dealt with under the policy.
- Keep the complaint confidential and do not disclose it to another person without the complainant's consent except if disclosure is required by law (for example, a report to government authorities) or if disclosure is necessary to effectively deal with the complaint.
