

NEWS RELEASE

After an extensive tender process, with a number of high quality submissions, Gridiron Australia is proud to announce that it has appointed JC Travel Professionals to be its Travel Management partner for the next three years.

As one of Australia's leading providers of corporate and sports travel management, JC Travel will be in a great position to support Team Managers with the extensive logistics associated with State and National campaigns.

As part of the agreement JC Travel will provide travel and accommodation management services for all National programs, as well as both the Men's and Women's Australian Gridiron Leagues and the Junior National Championship.

As GA's preferred supplier, JC Travel will also provide all members the opportunity to arrange their travel through them, including leisure travel at preferential rates. In addition, JC Travel have committed to a sponsorship arrangement to further support our National Programs going forward.

Gridiron Australia is strongly committed to raising the professionalism and exposure of the sport for its members and believes this partnership will provide value to its members for many years to come.
